BACKGROUND INFORMATION:

1---I am erroneously included in the terrorists list of the United States government and as such am persecuted, tortured, and denied due process of law by the Courts. Exhibit 1

2---The government of the United States publicly accepts that its own Central Intelligence Agency ("the CIA terrorists") bombed the World Trade Center on September 11, 2001 ("9-11") slaughtering over 3,000 people almost at front of this courthouse; blamed others; in Iraq alone it massacred over 1-million innocent men, women, and children; got both political parties to assign billions of dollars to the fake "war on terror" at home and abroad; multiplied the military budget; activated a tyrannical law called The Patriot Act; a secret and omnipotent Court named Foreign Intelligence Surveillance Court; and replaced the U.S. Constitution for a police-state. Exhibits 2,3,4,5.

3---As part of the domestic assassinations program of the CIA, on 9-28 2015 terrorists of that agency accompanied by my landlord, Bellevue South Associates ("BSA"), carried-out a warrantless raid of my apartment after breaking its door.

4---They left a handwritten note with the word "intel", and the name of the New York Regional Director of the Department of Homeland Security, CIA terrorist Dennis McGowan, as the person that sent them.

5---They called the raid a "wellness-check".

-3-

6---NYPD and federal officials not only ignored my complaints, they planted a surveillance tower at front of my window. Exhibits 6 and 7.

7---I filed lawsuit 16CV2362 at the Southern District of New York federal Court ("the lower Court"), and it was assigned to Judge Ronnie Abrams, and Magistrate-Judge Kevin Nathaniel Fox who always protected the CIA terrorists while treating me like a criminal.

8---Invited by Judges Abrams and Fox, the CIA terrorists and BSA returned on 4-28-2016, conducted another warrantless raid after breaking the door of my apartment, kidnapped, and tortured me as a John Doe at HHC Bellevue Hospital. Exhibit 8.

9---They called the raid "a wellness-check".

10---Judges Abrams and Fox covered-up the identities of the CIA terrorists.

11---The NYPD filed an affidavit stating that the CIA terrorists, not the NYPD, placed handcuffs on me during the 4-28-2016 warrantless raid and took me by ambulance to be tortured at HHC Bellevue Hospital. Case 16CV2362, docket 210.

12---The FDNY ambulance report states "A MALE ADULT COMPLAINING OF NOTHING". Case 16CV2362, docket 212.

13---During the torture I was assaulted by HHC Bellevue Hospital employees who injected with sleeping drugs, and involuntarily subject me to medical procedures such as taking urine and blood, x-rays, MRI, and numerous other tests.

-4-

14---During the torture I developed fever of 101 degrees, my two-days old spinal surgery was permanently damaged, and up to this day I require medical treatment and medications.

15---Because Judges Abrams and Fox protected the CIA terrorists, I could not serve those involved in the kidnapping and torture incident. Case 16CV2362, dockets 47, 89, 119, 120, 121, 127, 129.

16---Case 18CV4665 against HHC Bellevue Hospital was commenced without CIA defendants.

17---Judge Ronnie Abrams' racism and favoritism for CIA hit-lists against Muslims and others is such that the U.S. Supreme Court recently unanimously ruled against her in case 19-71; and in this case she was so determined to protect the illegal activities of the CIA that she denied my petition for her recusal. Docket 333.

18---On 12-13-2018 CIA terrorists, NYPD Lieutenant Neil Veras, and NYPD Police Officer Patricia de Jesus, used a sledgehammer trying to break the door of my apartment after I refused to give them access. Video-recorded.

19---On 12-20-2018 Veras, de Jesus, and Detective Christopher Rickford demanded access to my apartment, and yelled threats such as "we will tell all your neighbors that you are a rapist, and a pedophile". Recorded.

20---On 12-21-2018 a community lawyer told me that Veras and de Jesus wanted to arrest me, I appeared at the 13th police station, was falsely charged with a misdemeanor, taken before a Judge, released without bail, and the case was dismissed days later.

-5-

21---Invited by Judges Abrams and Fox, on 2-27-2019 Veras, de Jesus, and three (3) others NYPD Police Officers carried-out a warrantless raid of my apartment, and falsely charged me with a misdemeanor.

22---Veras ordered the three (3) Police Officers to take me to the 13th police station while he and de Jesus stayed behind ransacking the apartment in my absence. Exhibit 9.

23---I was taken with leg shackles to HHC Bellevue Hospital for another involuntary psychiatric exam; to the police station; to Court; to the police station; to HHC Bellevue Hospital; to the police station; and to Court where handcuffed behind my back appeared before a Judge more than a day later and was released; the case was dismissed a few days later.

24---Although the case was related to the previous raids, to escape the persecution by Judges Abrams and Fox, I was forced to ask Chief Judge Colleen McMahon to assign it to a different Judge as a new case: 19CV6332.

25---On 10-29-2019 Judge Abrams sent the case 16CV2362 to Magistrate-Judge Fox for reports and recommendations about the Motions for Summary Dismissal. Docket 367.

26---Judge Abrams, and Fox, set traps, disregarded the evidence, and dismissed most defendants of case 16CV2362, except Dennis McGowan, and Dr. Aaron Buckland.

27---On 1-07-2021 Judge Fox filed a report and recommendation to dismiss case 18CV4665, against defendant HHC and gave me 14-days to file objections. Docket 38.

-6-

28---On 1-07-2021 Judge Abrams capriciously dismissed case 18CV4665 disregarding 14-days to file objections included in the recommendations of Magistrate-Judge Fox. Docket 39.

20---On 1-07-2021 Judge Abrams capriciously dismissed the cases against defendants Dennis McGowan, and Aaron Buckland in case 16CV2362 even without a report and recommendation by Judge Fox or my opportunity to file objections. Docket 445.

CONCLUSION:

In covering-up the crimes of CIA's COINTELPRO hit-lists, Judge Ronnie Abrams and Magistrate-Judge Kevin Nathaniel Fox grossly violate the U.S. Constitution, and must therefore be removed as members of the judiciary.

US President Donald Trump says he knows who was behind the September 11, 2001 terrorist attacks that left thousands of Americans dead.

In an exclusive interview with ABC News' George Stephanopoulos broadcast on Sunday, Trump categorically said that "Iraq did not knock down the World Trade Center."

Terror Watch List Counter: A Million Plus ^[1]

Why are there so many names on the U.S. government's terrorist list?

In September 2007, the Inspector General of the Justice Department reported ^[2] that the Terrorist Screening Center (the FBI-administered organization that consolidates terrorist watch list information in the United States) had over 700,000 names in its database as of April 2007 - and that the list was growing by an average of over 20,000 records per month.⁴ (See also this new March 2008 report ^[3].²)

By those numbers, the list now has over one million names on it. Terrorist watch lists must be tightly focused on true terrorists who pose a genuine threat. Bloated lists are bad because

- they ensnare many innocent travelers as suspected terrorists, and
- because they waste screeners' time and divert their energies ^[4] from looking for true terrorists.

Breakthrough: U.S. Attorney Agrees to Present Evidence of WTC Demolition to Federal Grand Jury

Finally, after 17 long years, the 9/11 Truth Movement has opened an avenue to prosecuting those responsible for the shocking destruction of the World Trade Center and the horrible loss of life that resulted.

In April 2018, the Lawyers' Committee for 9/11 Inquiry — together with more than a dozen 9/11 family members and with help from AE911Truth — filed a petition with the U.S. Attorney in Manhattan demanding that he present evidence of unprosecuted federal crimes at the World Trade Center to a special grand jury. Then, in November, came the big news: The U.S. Attorney notified the Lawyers' Committee (<https://www.ae911truth.org/images/PDFs/US-Attorney-Letter-110718.pdf>) in writing that he would comply with the provisions of 18 U.S.C. § 3332 requiring him to relay their report to a special grand jury.

Now the Lawyers' Committee and AE911Truth are working to ensure a *thorough and successful* grand jury investigation.

"US Terrorism List Violates US Civil Liberties"

The Federal Bureau of Investigation, the national policing agency of the United States, admits to having compiled a "Terrorist Screening Database" with the names of persons suspected or alleged to be involved in terrorism.

The list contains the names of over a million people, who have been convicted of no crime and given no chance to defend themselves. One activity of the "Terrorist Screening Database" is the creation of the "No Fly List", which prevents thousands of people, including many US citizens, from boarding any aircraft. Once added to the list, things in their lives can become very difficult. Wilfredo Torres, suddenly found himself being subject to all kinds of harassment after he began protesting discrimination in travel policies. In one instance he was removed from a flight by airline officials. When Mr. Torres lawyer filed a request for information, the FBI revealed that it had collected over 100 pages of information about him. He now wants to have his name removed from the list. The FBI and other divisions of the US Department of Justice, have a long history of suppressing political dissidents over the last several decades. A law suit has been filed by the American Civil Liberties Union, in the hopes that courts will intervene, and halt the continued use of such lists.
